

# CALL FOR SPEAKERS

19 – 22 OCTOBER 2026

iaagr

## STEADY HANDS, SHIFTING GROUND Advancing regulation in a connected world

The International Association of Gaming Regulators invites thought leaders, innovators, researchers and experts to share insights on the challenges and opportunities shaping gaming regulation at the 2026 conference in Lima, Peru.

We're looking for speakers with original ideas, insights and experiences to spark conversations, challenge assumptions and inspire a global community of gaming regulators.

## WHY SPEAK AT IAGR2026?

Speaking at IAGR2026 is an unparalleled opportunity to:

- **Inspire global impact:** Your insights will help shape the future of gaming regulation and foster positive change worldwide
- **Lead the conversation:** Be part of the critical discussions shaping policy and driving progress
- **Collaborate and innovate:** Engage with regulators, policymakers and industry stakeholders to build resilient regulatory practices

IAGR conferences are catalysts for action. Attracting hundreds of delegates from around the globe, the conference features forward-thinking solutions to pressing challenges.

Are you ready to lead the conversation?

Visit [iagr.org](https://iagr.org) to submit your proposal before 28 February 2026.

# TOPICS OF INTEREST

This list is a guide, and we welcome fresh, innovative ideas. If you have a unique perspective or an emerging topic to share, we want to hear from you.

- AI and data analytics for supervision and player protection
- Regulating emerging technologies and new product formats
- Combating illegal gambling and cross-border disruption
- Platform accountability and intermediary engagement
- Affiliates and influencer marketing
- Advertising regulation and public sentiment
- Sports integrity and match-fixing
- Esports betting and integrity
- Responsible gambling innovation and harm minimisation
- Youth exposure, digital pathways and prevention
- Anti-money laundering and organised crime
- Cybersecurity and operational resilience
- Lessons from regulatory successes and failures
- ESG, governance and accountability in regulation
- International cooperation and information sharing
- Reducing regulatory burden and the cost of compliance

Interested in sponsoring IAGR2026?

Message us at [iagr@iagr.org](mailto:iagr@iagr.org), and we'll share the sponsorship prospectus.

# SPEAKER SUBMISSIONS

Applications must include:

- Title and abstract (300 words or less)
- Your name, role, organisation and a short bio
- Preferred format:
  - 20-minute presentation: Sharp, impactful insights
  - 40-minute presentation: In-depth exploration
  - 60-minute panel discussion: Please specify if you have other panelists in mind
- Explanation of how your topic aligns with the conference theme – *Steady hands, shifting ground: Advancing regulation in a connected world*

## SPEAKER COMMITMENTS

- Agree to be photographed and recorded during IAGR2026
- Support marketing efforts through your network and social media
- Provide a short video preview of your session or write a short article (around 800 words) for IAGR's promotional use

## SPEAKER REGISTRATION

- **Non-member speakers:** Discounted speaker rate to register for the full conference and social events
- **IAGR member speakers:** Reduced member rate to register for full conference and social events
- Travel and accommodation are the speaker's responsibility

Visit [iagr.org](https://iagr.org) to submit your proposal by 28 February 2026.

Selected speakers will be notified by 30 April 2026.
